

GENUINE SHEEPSKIN SLIPPERS

**THE WOOL
STORY, COZY,
WARM AND
DRY!**

**The secret of a
comfortable
slipper is the
lining!**

**At Ciabatta, we
use fine hand
sewn suede
uppers and line
the slipper with
100% wool. The
fibers wick
perspiration away
and pass it
through
breathable
leather. Wool is
nature's insulation.
Your feet stay
warm and dry!**
